

Jessie P. Gapol

Flutter Developer | UI/UX Designer | Graphic Designer

Dipolog City, Philippines | gapoljesie23@gmail.com | github.com/jcgpl-dev

PROFESSIONAL SUMMARY

Computer Science student specializing in Flutter cross-platform development and Firebase backend integration. Experienced in building real-time systems, QR-based applications, and encrypted cloud solutions using AES encryption. Skilled in creating responsive user interfaces and scalable mobile applications. Seeking opportunities in mobile development, software engineering, or UI-focused roles.

TECHNICAL SKILLS

- Frontend:** HTML, CSS, Flutter, Dart, Material Design, Responsive UI
- Backend & Cloud:** Firebase, Firestore, Firebase Authentication
- Tools:** Git, GitHub, VS Code, Figma
- Other:** REST APIs, QR Systems, AES Encryption, SQL

PROJECTS

Cloud-Based Vehicle Monitoring System | Flutter, Firebase, Firestore, AES Encryption

- Developed a real-time vehicle monitoring system using QR-based tracking.
- Implemented AES-encrypted payloads to enhance data security.
- Integrated Firebase Firestore for real-time synchronization across devices.

JRMSU CCS QR-Based Visitor Log System | Flutter, Dart, Firebase

- Built a QR-based visitor registration and logging system for institutional use.
- Integrated Firebase Authentication and Firestore for secure record management.
- Designed a responsive and user-friendly interface for efficient check-in workflows.

Gapz Graphics Portfolio Website | HTML, CSS, JavaScript

- Created a personal portfolio website showcasing branding and graphic design projects.
- Developed responsive layouts optimized for desktop and mobile viewing.

JRMSU K Sports Fest 2026 Shirt Designs | Adobe Photoshop, Adobe Illustrator

- Designed official shirt concepts and layouts for the university sports festival.
- Produced branding assets aligned with event identity and visual standards.

EDUCATION

Bachelor of Science in Computer Science

JRMSU Katipunan Campus | 2022 - Present

- Focused on software engineering, mobile development, and systems design.

Senior High School – TVL (CSS) Strand

Cogon National High School | 2020 - 2022

Junior High School

Cogon National High School | 2016 - 2020

CERTIFICATIONS & AFFILIATIONS

- BSCS Practicum In-Service Seminar: A World of Works Bootcamp - April 10, 2025
- OpenxAI Vibe Coding Session - November 18, 2025
- Data Privacy Awareness Seminar - November 17, 2025
